

AFRICAN JOURNAL
OF SCIENCE,
TECHNOLOGY,
INNOVATION
AND DEVELOPMENT

Editors-in-Chief:

Prof. Mammo Muchie, *Tshwane University of Technology, South Africa, Adama Science, Technology University, Ethiopia, and TMDC, Oxford University, UK*

Dr Angathevar Baskaran, *Tshwane University of Technology, South Africa, University of Malaya, Malaysia*

African Journal of Science, Technology, Innovation & Development (AJSTID) is a multidiscipline journal covering economics, science, engineering, and technology, but with the core focus on economics of innovation and development. **AJSTID** provides an important outlet to research on process and impact of science, technology and innovation at two levels: the narrow objective of achieving industrial growth, and the broader objective of achieving socio-economic development, particularly in Africa and other developing economies.

Recent Articles

- ▶ Effectiveness and efficiency of national systems of innovation: A comparative analysis of Ghana and Kenya
Frank L. Bartels, Ritin Korja & Liliana Andriano
- ▶ Green economy transition and the sustainability of the Nigerian aquaculture industry: Policy perspectives and the way forward
Zelda A. Elum & Vuyo Mjimba
- ▶ Academic staff development: A lever to address the challenges of the 21st-century university classroom
Severino Machingambi
